Courtesy of Gilliland Ranch

This pedigree is impressive. On the maternal side, the dam Roman Diamond Gal is over 70" at just over 3y. Her maternal line is stacked with horn-- L'll Emerald Cut, Pacific Diamond L'll (91") and Leah Leigh (100"). Her top side includes Hubbell's 20G, Cowboy Catchit Chex. Concealed Weapon and Hubbells Roman 7. Hard to beat!
